NEW WORLD, NEW HORIZON Jul 21 2020 The fiction

portrays the dynamic Indian corporate lifestyle and middle-class families' traditional beliefs and perceptions. RADHA: I need your help. KISHORE: Radha, my help is always there for you. You don't have to ask for it. RADHA: Can you make yourself free this evening? I would like you to accompany me to a special place. KISHORE (inquisitively): Where? RADHA: To Holy & Sacred Home KISHORE: What work do you have there? RADHA: Kishore, you will see a new Radha from today onwards. Radha is going to see a new world and a new horizon. KISHORE (surprisingly): Not able to get you. You sound poetic. Talk straight, dear.

FACE OF GUILT & OTHER STORIES Feb 08 2022 Never before, has such psychoanalytical human stories of unpredictable nature and macabre intensity been told with impeccable precision and creativity, extremely probing; exposing the human psyche on a different dimension. The stories ruthlessly reveal the self-destructive human conflicts

immersed in despair, impassivity, inhibitions, fears and vanity . . . influenced by uncertainties and sudden occurrence of tragic, comic and ironic situations. Stories created from mundane ideas and incidents demonstrate the amazing versatility of the author. The author captures the shifting mood of intriguing characters in a calculative manner reinforced by sudden and thrilling action. Stories written in a lucid style lends a lilted grace and cinematic effect to the narrative and every scene moves frame by frame before the eyes. The stories impact the mind, inspire and motivate through highly contrasting and imaginative content, which is both philosophical and psychological in nature. Readers will wade through the strange circumstances that compel all humans to indulge in actions with inextricable mingling of elements . . . difficult to dislodge, which are achieved with ruthless passion. The masterwork titles - The Unknown Giver, The Last Stitch, Veil of Disgrace, The Funeral Coat, Walk for Money, The Melting Pride, Silent Punishment, The Begging Bowl and A Life Wasted make way for an interesting reading.

The Pythonic Way Sep 03 2021 Learn to build and manage better software with clean, intuitive, scalable, maintainable, and high-performance Python code. KEY FEATURES ● Comparative analysis of regular and Pythonic coding constructs. ● Illustrates application design paradigms for Python projects. ● Detailed pointers on optimal data processing and application design. ● Highlights accepted conventions for testing and managing production code. DESCRIPTION 'The Pythonic Way' acquaints you with Python's capabilities beyond basic syntax. This book will help you understand widely accepted Pythonic constructs and procedures, thus enabling you to write reliable, optimized, and modular applications. You'll learn about Pythonic data structures, class and object creation, and more. The book then delves into some of Python's lesser-known but incredibly powerful functionalities such as meta-programming, decorators, context managers, generators, and iterators. Additionally, you'll learn how to accelerate computations by using Pandas Series and Dataframes. You will be introduced to various design patterns that work well with Python applications. Finally, we'll discuss testing frameworks and best practices for testing, packaging, launching, and

publishing applications in production environments. This book will empower you as you transition from beginner or competitive Python coding to industry-standard Python software development. Intermediate Python developers will gain a deeper understanding of the language's nuances, enabling them to create better software. WHAT YOU WILL

LEARN ● Understand common practices for writing scalable and legible Python code. ● Create robust and maintainable production codebases for time and space performant applications. ● Master effective data processing practices and features like generators and decorators to improve complex computations on large datasets. ● Get familiar with Pythonic design patterns for secure, large-scale applications. ● Learn to organize your project's code into modules. ● Familiarize yourself with different testing tools and frameworks.

WHO THIS BOOK IS FOR This book is a valuable reference manual for novice and intermediate programmers and data scientists to learn about Pythonic standards and conventions. For beginners, this book will get you started with Pythonic thinking. This book will serve as a guide to fine-tune your skills beyond syntax and help build robust Python applications for intermediate Python coders. TABLE OF

STRATEGIC MANAGEMENT Aug 02 2021 The second

edition of the book is richer in contents with updated concepts on strategic management. The entire text is restructured and fine-tuned to meet the needs of the students pursuing MCom/MBA/PGDBA and identical courses. The book, now divided into four parts, is focused on providing the readers broad perspectives on formulation of strategy, its processes, implementation as well as evaluation so as to assess its effectiveness. The book brings into fore the learning that a strategy is good if it passes the test of feasibility, acceptability and suitability. Now, the text incorporates 44 live cases of successful, reputable organizations, which have excelled as a result of application of strategic planning/strategic thinking in formulation and implementation of their strategies. Besides, references have been made of the practices in 65 successful global companies while discussing the concepts and practices. NEW TO THE SECOND EDITION Beginning with an overview of strategic management, the text analyzes important topics such as • Environmental macro- and micro-factors of the organization, which underline success of an enterprise • What develops sustainable competitive advantage in organizations • Eight implementation techniques which are helpful in successful implementation of strategies • Evaluation of strategy and GE-McKinsey matrix on measurement of organizational success • Role and traits of strategic leadership for successful implementation of strategy in face of uncertain, turbulent and complex global market • Learning from the case study on Mobil company

MOTOR ACCIDENT CLAIMS AND COMPENSATION Feb 14 2020 Insurance is a contract whereby one party agrees to compensate the loss or discharge the liability of another person. And in case of motor insurance in India, this also includes the loss suffered by third person. Motor insurance and all third-party rights and liabilities with respect to it are covered by Motor Vehicle Act 1988. It is a mandate, provided by legislature under section 146, to not to use any vehicle in public place without a valid third-party insurance. The Motor Vehicles (Amendment) Act, 2019 have wholly replaced Chapter XI of the Motor Vehicles Act, 1988 which dealt with insurance of motor vehicles against third party risks. The Central Motor Vehicles (Fifth Amendment) Rules, 2022 lay down a new procedure for expeditious investigation and adjudication of the Motor Accident Claims. The new Rules have revolutionized the motor accide

PRODUCT MANAGEMENT IN INDIA Jan 07 2022 This completely revised and updated text, now in its Third Edition, continues to explain the underlying concepts of product management. In the process, the book equips the budding as well as the practising managers with sufficient knowledge about how to deal with different problems faced in managing any typical fast moving consumer good or durable product.

Divided into three parts, the book provides, in Part I, a macro perspective of the Indian market. Part II offers an analytical discussion interspersed with vivid illustrations on conceptual issues like branding, segmentation, positioning and differentiation. Part III features several new products; it also provides latest information on the products presented in the earlier edition. In addition, it analyzes the current market situation prevailing for a particular product in India. Finally, here, each chapter shows how leading companies are successfully marketing the particular product in the Indian market.

WHAT IS NEW IN THIS EDITION : The new edition incorporates the challenges offered by many new trends like growth of modern trade, explosion of the media, and the increasing influence of rural market in India. Chapters on The Indian Market: Emerging Panorama, and New Marketing Challenges expose the students to contemporary concepts and examples. Part III offers new chapters on market analysis on products such as Tea, Soft Drinks, Chocolates, Malted Beverages, Packaged Drinking Water, Tooth-Paste, Detergents, Fairness Cream, Footwear, Mobile Phones, and Digital Camera. Besides, it gives up-to-date background information for other products covered in the earlier edition. The Student CD contains a set of PowerPoint Presentations (PPTs) of 20 products. This well-established study has been widely adopted as a textbook in MBA programmes across the country. The Third Edition is more profusely illustrated with exhibits, diagrams and PPTs, and should be of immense utility and worth to the students of management as well as practising brand managers and executives in the advertising arena.

I Want to Enjoy My Life Sep 22 2020 Vinay belongs to middle class family and He wants to be rich in a very short time. He also knows that in a short time money can't be earned from right way, so he chose the illegal cricket match betting, dabba trading and illegal possession of land. Vinay's desire to make money and a physical relationship with married woman Manvi, which Vinay believes right but his friend Kunal does not agree with him. Vinay was inspired by Rocky, who is a very big bookie of cricket match bet. Vinay gets help from his friend from Arjun and a young politician Dharam. FROM BOOK "So what my friend, what is wrong and what is right, it's immaterial. Important is that how to earn money." Vinay responded and kept his side to justify their point. "Money is important for you." "Not for you." Instead of answering, Vinay questioned Kunal. "I am not denying the fact that money is very important in today's time. But this way...." Kunal became silent. "My friend Kunal, There are thousands of such examples around us, where people respect the money and sideline the responsibility towards society. When I see any rich person in fantastic bungalow and with luxuries then I think that why I am not lucky. I want to earn more money so my friend, betting is the wrong way but much better than many wrong paths." Kunal listened quietly; no answer was given to him. For Continuing his talk Vinay said - "corrupt government employee, corrupt politicians and traders who steal tax these are like a criminal. These people are never ashamed of their evils. Cricket match betting is also a business but dirty business. If you are caught, then a thief if

not then smart.”

Chasing wheels Jul 13 2022 Rishi Sinha has never had anything handed to him on a silver platter. With a poor financial situation, no proper education and a childhood that was stolen from him way too soon, it's safe to say he just doesn't have the right luck. What he does have, though, is a dream. A dream to someday own a luxury car. More specifically, an Audi. He dreams of making his family proud, of making himself proud, of showing to the world that no matter how meagre your beginnings are, you can accomplish anything and everything you set your mind to. He carries this dream forward all through his teenage years to adulthood, from BCA to MBA, from one job to the next, from amazing friendships to a devastating heartbreak. Rishi sees both faces of the coin. This is the story of a young man who won't let anything stand in the way of his dream. He won't let anyone convince him otherwise. He wants his dream car, and he'll get there somehow. This is the story of how he chased his dream wheels. Chasing Wheels is a contemporary novel about living your dreams and finding happiness even in the darkest of times.

Global Supply Chains and Multimodal Logistics: Emerging Research and Opportunities Aug 14 2022 International trade has made logistics a strategic consideration for firms. The decision-making framework is substantially different in the case of international logistics, as this involves cross-border movement of goods and multimodal transportation. An

integrated framework based on customer's requirement, their country regulations, risk, and cost specific to goods and countries needs to be developed. Global Supply Chains and Multimodal Logistics: Emerging Research and Opportunities is an essential reference source that provides concepts of global logistics and its risk factors and provides an integrated framework for effective decision making. Highlighting such topics as enterprise resource planning, forecasting models, and logistics systems, this publication is ideally designed for managers, business professionals, researchers, academicians, and students in fields including but not limited to supply chain management, international business, and logistics.

Mobile Test Automation with Appium Dec 18 2022 Automate your mobile app testing About This Book How to automate testing with Appium Apply techniques for creating comprehensive tests How to test on physical devices or emulators Who This Book Is For Are you a mobile developer or a software tester who wishes to use Appium for your test automation? If so, then this is the right book for you .You must have basic Java programming knowledge. You don't need to have prior knowledge of Appium. What You Will Learn Discover Appium and how to set up an automation framework for mobile testing Understand desired capabilities and learn to find element locators Learn to automate gestures and synchronize tests using Appium Take an

incremental approach to implement page object pattern
Learn to run Appium tests on emulators or physical devices
Set up Jenkins to run mobile automation tests by easy to learn steps
Discover tips and tricks to record video of test execution, inter app automation concepts
Learn to run Appium tests in parallel on multiple devices simultaneously
In Detail Appium is an open source test automation framework for mobile applications. It allows you to test all three types of mobile applications: native, hybrid, and mobile web. It allows you to run the automated tests on actual devices, emulators, and simulators. Today, when every mobile app is made on at least two platforms, iOS and Android, you need a tool that allows you to test across platforms. Having two different frameworks for the same app increases the cost of the product and time to maintain it as well. Appium helps save this cost. With mobile app growth exploding, mobile app automation is mainstream now. In this book, author Nishant Verma provides you with a firm grounding in the concepts of Appium while diving into how to set up appium & Cucumber-jvm test automation framework, implement page object design pattern, automate gestures, test execution on emulators and physical devices, and implement continuous integration with Jenkins. The mobile app we have referenced in this book is Quikr because of its relatively lower learning curve to understand the application. It's a local classifieds shopping app. Style and approach This book takes a practical, step-by-step approach to testing and automating individual apps such as native, hybrid, and mobile web apps using different examples.
